"Get More..."

Riverbend is located just one block east of U.S. Highway 19 and one block west of the "Cote" River in New Port Richey, a quiet park nestled amongst large, shady oaks and complemented with tropical landscaping. It is within walking distance from the historical, downtown Main Street of New Port Richey - the architecture alone is worth a tour. The nearby Richey Theater and the New Port Richey Library regularly offer special events.

A wide variety of restaurants are also within easy reach. The best secret about downtown is the beautiful Sims Park and the river walk along the Pithlachascotee River. The city of New Port Richey loves to hold music and arts and craft fairs here several times a year, including a spectacular Christmas event with a lighted night parade. And because you can walk here you never need to worry about parking!

Within a five minute ride, shopping and dining is plentiful. Take your pick from fine dining, an Irish Pub, Cuban, or Italian. Hollywood 18 movie theater, Home Depot, Michaels Arts & Crafts are just some of the national stores at hand. Hospitals, dental offices and pharmacies are easily located.

For sports enthusiasts, there is golfing, marinas, and beach parks within a 15 minute drive. For gamers there's Tampa Bay Downs horse racing, and also the dog track in the Gandy area of St. Pete. Don't forget the slots at Hard Rock Casino, and even closer is the Sun Cruise Casino gaming ship which is a five minute ride (Bingo is right at your park!)

A 45 minute drive takes you to Tampa with Busch Gardens, Lowry Park Zoo, and Tampa Stadium, or to St. Petersburg, with its beautiful beaches, Tropicana Stadium and the St. Petersburg Times Forum. Just over an hour you can be in Orlando and the Magic Kingdom, Epcot and MGM studios await you!

We offer various size homes for sale or lease. When you come, be ready for fun. There's lots to do.
